## Student Guest Menu Options

The screenshot shows the top navigation bar of the MyAQ website. The header includes the text "WELCOME TO MyAQ" in a serif font. To the right of the header are four menu items: "LOG IN", "MAIN MENU", "STUDENTS MENU", and "CONTACT US". Below the header is a dark red banner with the text "CURRENT STUDENTS - WEBADVISOR FOR STUDENTS MENU" on the left and "Welcome Guest!" on the right. The main content area is white and contains a warning: "The following links may display confidential information." Below this warning are four buttons: "Registration", "Academic Profile", "Search for Sections" (which is underlined), and "Financial Aid".

- Search for Sections – This feature will allow you to search for classes that are offered in a specified semester by various criteria such as subject, course number, section number, meeting times, meeting days, keywords in course title, or instructor’s last name.

### Additional Links

In the upper right corner there are additional links to log out, navigate to another menu, access help information, or find contact information for various departments. Often these links are duplicated in the lower right corner.
