**STUDENT QUOTE:**

"Salamanca was quite an experience. I believe that people make experiences, and there was not a lack of amazing people to help make my experience memorable. From our professors that seemed to be bigger than life, to our host parents with their stories, food, and repeated phrases. Even our housemates seemed to be made up of characters. Even if Salamanca wasn't a beautiful city with tons of historical sites, dancing, tapas, and gelato I would have enjoyed the experience because of the people."
