

Food Policy

Certain food and drink items are allowed in most areas of the Library if consumed responsibly.

Patrons are expected to clean up after themselves, discarding trash in appropriate containers and notifying staff immediately of any spills.

Food is limited to snack or wrapped items which are consumed individually, foods such as chips, nuts, pretzels, cookies or candy. No group meals, fast food, or open plates of food are allowed. The delivery of food to the library for library users is prohibited.

Hot foods, fast foods or meals may be consumed in the lobby/piazza.

Drinks are limited to those in closed containers such as covered cups, pop bottles, or water bottles.

Library staff will have final approval over any sort of beverage container allowed in the library and reserve the right to exclude any container for any reason.

Patrons disregarding the food policy will be asked to leave the Library.
