

AQUINAS COLLEGE
COMMUNITY
HOUSE

Expectations

As a member of the Community House Project you are expected to:

- Attend Community House orientation/training sessions and house meetings
- Be involved in the development of and take an active role on the Community House Board
- Participate in the creation of a Community House Management system to include communication, budget, cleaning/maintenance, meals etc.
- Must be diligent in paying bills on time
- Develop positive personal relationships with housemates and neighbors
- Conduct yourself in accordance with the AQ Student Conduct Code and Local/State/Federal laws
- Follow good neighbor practices including but not limited to shoveling snow, raking leaves, mowing the lawn, trash/recycling etc.
- Establish and support a positive healthy living and learning environment that is consistent with the goals and educational mission of the college
- Act as a positive role model to other commuting Aquinas College Students
- Be a good housemate by refraining from smoking inside the house
- Become involved in at least one Easttown Community Project each semester
- Maintain an ongoing neighborhood presence in hospitality
- Become involved in at least one Easttown Community event

As a Community House Group:

- Create a Community House web presence and promotional materials as part of the Aquinas Community web network
- Host an open house for off campus students
- Have a presence at the Easttown Neighborhood and/or Association meetings
- Participate in ongoing evaluation of project or program

I have read and agree that I can meet and fulfill the expectations noted above.
