Aquinas College is known for making the college experience affordable for our students and families. You could receive up to \$25,000 annually in merit-based aid. 100% of our new first-year students receive merit scholarships from the College. Merit scholarships are guaranteed all four years as long as a student is enrolled full-time and maintains a 2.0 GPA with satisfactory academic progress. In addition to across the board GPA merit scholarships, you may qualify for need based aid, athletic scholarships and/or other Aquinas and outside scholarships. We help families from all backgrounds afford the excellent value of an Aquinas education.
