CTE Credit Agreement

- Only high schools/career technical centers on the list of state-approved MDE-CTE locations offering Education programs are considered eligible to participate in this credit agreement.
- Students must complete designated courses outlined in the credit agreement with a “B” or above.
- Students must meet and maintain Aquinas College admission requirements and apply to be admitted to Aquinas within two (2) years of completing the CTE education program.
- Students must be enrolled in classes at Aquinas College to receive credit under this agreement.
- Credit will appear on the student’s Aquinas degree progress by course code, EDUC-200, totaling 4 credit hours and will receive credit (CR), not a letter grade.
- No tuition or fees will be charged for coursework under this agreement.

By signing this form you are agreeing the student listed above has completed the full teacher education program through a state-approved location with a B or better.
