

Special Collections

“Special Collection” stations allow you to recycle non-traditional waste and they are located in nearly every campus building. The stations offer an opportunity to dispose of the following:

Goodwill: A variety of items are accepted including clothes, jewelry, books, shoes, furniture, sports equipment, and other household items. Even items in poor condition can be donated.

Styrofoam: Accepted items include white, block-style Styrofoam only. They do NOT accept packing peanuts, egg cartons, Styrofoam cups, plates, or Styrofoam to-go containers.

Electronic Waste (E-waste): Any item with a battery or a cord.

Ink Cartridges & Batteries

Terracycle: *Flip over for more information.*

Terracycle

Terracycle is an upcycling and recycling company that collects difficult-to-recycle packaging and products and repurposes the material into innovative products.

Only certain types of food packaging are accepted and they are listed below.

Salty Snack Bags

e.g. chip bags and trail mix bags

Granola/Energy Bar Wrappers

e.g. Clif Bar wrappers, Nature Valley wrappers

Candy Wrappers

e.g. Twix wrappers, Airheads wrappers
