POLICIES REGARDING DROPS, NO SHOWS, AND WITHDRAWALS FOR SPRING 2026

Dropped Courses

All students (Regular, CE, Graduate, Guest, Non-Degree, etc.) may drop a class for a full refund by the dates listed above under Financial Drop Dates. Any course dropped after these deadlines will be charged at the full tuition rate. Traditional-age students are considered full-time as of the Financial Drop Date for semester-long classes if registered for 12 or more credits.

Regular, undergraduate students may drop a course without academic penalty up to the 10th business day (second Friday) of the semester. Students who withdraw from a course on the 11th business day until the mid-point of the semester will receive a W (Withdraw) grade, except where a break of academic honesty warrants the failure of the course. If the student does not complete the course and has not dropped the course by the final date to drop, a grade of "F" will be given for the course.

No-Show Policy and \$150.00 Fee

Students who do not officially drop a class within the initial add/drop period, and are administratively dropped from a class because of non-attendance, will be assessed a fee of \$150.00 per class. Students who are full-time after the second week of the semester and who are administratively dropped from a course will be financially responsible for full-time charges, even if the administrative drop results in the student being enrolled less than full-time. For students officially dropping a class, either before the class starts or within the add/drop period, there will be no charge. See Financial Drop Dates. **Note: Responsibility for registration, add, and drop rests with the student. Instructors and advisors are not able to make changes to a student's registration and are not responsible for notifying the Registrar's Office of student registration changes.**

Withdrawals

If a student chooses to withdraw from **ALL** of his/her courses because of personal, health, or other reasons, the student must notify the Registrar in writing of his/her intent to withdraw. Students must complete a Withdrawal Form, available from the Registrar/Academic Advising Center by email. Tuition charges will be incurred according to the date of written notification of the withdrawal. Academic penalties will be incurred for any courses past midterm at time of withdrawal. Title IV funds will be pro-rated for a complete withdrawal. Please see the Financial Aid section of the College Catalog. If a student withdraws from ALL classes and receives financial assistance, the student must contact the Financial Aid Office for an interview to review the refund policy.

GENERAL EDUCATION and MAJOR REQUIREMENTS:

Students should consult the My Progress page on MyAQ Self Service to track progress toward degree requirements. If you have questions, contact the Registrar's Office. Progress shown on MyAQ Self Service is not considered official until an Application for Degree Candidacy is submitted to the Registrar's Office and is confirmed by the Graduation Auditor.

TUITION COSTS, PAYMENT PLANS AND FINANCIAL AID 2025-2026

Please visit the website for the most current information: [Aquinas Tuition and Fees 25/26](#)

Tuition and fees are due in full before the start of classes unless an approved payment plan has been processed through the Student Accounts Office. Billing statements are available online only, through your Self Service account access via MyAQ. Your cancelled check is your receipt.

Payment Plans

The College offers two payment plans:

- Five Month Payment Plans (plan cost is \$50.00 per semester)**
Option 1: AQ Agreement-Make payments directly to the Student Accounts office or through Self Service Account. You must contact Student Accounts to set up this option.
Option 2: Official Payments-payments will be auto withdrawn each month. Visit www.aquinas.edu/studentaccounts to set up this option.
- Employer Tuition Reimbursement Plan**
The Aquinas College Employer Tuition Reimbursement Plan allows students who expect to receive tuition reimbursement from their employers to apply for deferred payment of tuition. A non-refundable charge of \$50.00 per semester is due with application for this plan. The application must be approved by the Student Accounts Office.

Additional information for the payment plans described are available from the Student Accounts Office, Holmdene 211, by calling (616) 632-2864, or online at www.aquinas.edu/studentaccounts.

Financial Aid

To be considered for any source of financial aid, a student must complete all necessary applications by the appropriate deadlines. Financial aid is credited to a student's direct charges (tuition, and if applicable, room and board) based on the student's enrollment status for that given semester. Full time = 12+ credits; Part-time = 6-11 credits. Financial aid is renewable each academic year, as long as the student completes the necessary application, maintains eligibility, and is making satisfactory academic progress toward a degree. See "Satisfactory Academic Progress" under Financial Aid in the Aquinas College catalog. Students who are on probation for two consecutive full-time semesters or the equivalent are no longer eligible to receive financial aid. A student has the right to appeal to the Aquinas College Review Board for Academic Dismissal.

If a student drops a class during the refund period, financial aid will be adjusted. If a student withdraws from all classes and receives financial assistance, the Financial Aid Office must be contacted to discuss the student's rights and responsibilities concerning the college's refund policy.

Students should contact the Financial Aid Office when adding or dropping any classes as it may affect awarded aid and/or loans.
