

**OLLI Membership 2020-2021**  
**September - August**  
**No Tests, No Papers, No Grades – Just the Joy of Learning**

**Thank you for being a member of the Osher Lifelong Learning Institute (OLLI) at Aquinas College. We are excited to welcome you back as OLLI Scholars for the 2020-2021 year. Our Membership Campaign is now underway, and we hope you will once again join OLLI!**

Because of the uncertainty in our lives, there will be some temporary changes at OLLI, but we promise we will continue to bring the same exemplary educational programs with your favorite, and some new, outstanding instructors. Hopefully, the joy of learning will make us all a little happier!

**What will OLLI look like this year?** Until we know we can guarantee the health and safety for all, the following will apply for the 2020 Fall Session:

- Some OLLI classes will be offered in the **Browne Center**, but limited in size on first sign-up basis.
- OLLI classes will also be offered on **Live Zoom**, and/or **Recorded Zoom**. (The Browne Center onsite classes will also be shown on Live Zoom.)
- Everyone who attends OLLI classes or joins virtually **must** become a member of OLLI.
- For the 2020 Fall Session, we will offer Bronze and Silver memberships only (pricing on back of this page).
- Students must wear masks in the Browne Center.
- Safe distancing will be followed; therefore, onsite classes will be limited in size.
- Classes will be a maximum of 90 minutes with no breaks (OLLI students may bring their own coffee or tea).

**Why join OLLI this year?** As a member you will:

- Attend or Zoom live amazing classes in political science, history, literature, the arts, religion and more.
- Receive discounted prices on Grand Rapids performing arts events.
- Discover new friendships in onsite or virtual special interest groups, hiking groups, book discussions.
- **Receive our catalogs in the mail.** Otherwise, you will only be able to view our class schedules on-line at [www.aquinas.edu/olli](http://www.aquinas.edu/olli)
- Attend or Zoom live lecture series on current hot topics with local experts.

In light of the past few months, our connection and friendship with you is stronger and more important than ever. In this extraordinary time, we have struggled with losses, but we have also found strength to adjust and discover ways to make our lives better. Who knew our generation could step up so quickly to learn new skills and new ways to connect to others? But, we have! And, we will continue to make changes that will work for us in difficult times. Hopefully, we will all be back together again soon. We miss you! In the meantime, **please stay with us and support us by joining OLLI!**

Warm Regards,

Sheila Pantlind    Carol Gunsch    Susan Kohloff
