ABOUT THE PROGRAM

The Japan Program is located at the Japan Center for Michigan Universities in Hikone, Shiga Prefecture, Japan. This is a semester or year-long program.

ACADEMICS

Students can earn 12-14 credit hours per semester toward a Japanese minor. The Japanese language program is taught at four different levels, from beginning to advanced. Each level is designed to further language proficiency through the combination of in-class instruction and outside activities. The language program as a whole aims to produce students who can communicate effectively in a variety of socio-cultural contexts both in spoken and written Japanese.

ELIGIBILITY

Participants must be full-time students of at least sophomore status and have completed JN 301 or its test equivalent. Participants must also be open to the cross-cultural experience and living with Japanese students, and be in good academic and disciplinary standing.

HOUSING

Students may choose a home stay or a student apartment.
